STIFF Mother Trucker is a powerful topical pain reliever that blends the best ingredients helping to relieve muscle and joint pain and enhance healing quickly.

When applied as directed, STIFF Mother Trucker helps to stimulate the body's natural functions to reduce pain, discomfort, inflammation, increase blood flow and enhance healing. The deep-penetrating effect offers both immediate long-lasting cool-to-warm soothing relief. Our unique formula is non-greasy and because our cool blue cream is colored naturally it does not stain the skin or create irritation.

Get moving again with a pain relief cream that actually works.
